Work Experience

November 2023–Present, December 2023 - September 2024, March 2023 - October 2023,
September 2021 -January 2022, March 2018 - January 2019

Role: *Visitor Experience Assistant*.
Company: *Irish Recruitment Consultants*
Location: *Guinness Storehouse*.

- Delivered interactive sessions highlighting the history, brewing process, and cultural impact of Guinness, ensuring a memorable experience for guests from diverse backgrounds.
- Provided high-quality service in a high-traffic environment, addressing visitor inquiries, offering product recommendations, and managing large groups to enhance visitor satisfaction.
- Worked closely with the team to coordinate daily operations, ensuring smooth visitor flow and a consistently high-quality experience across all tour activities.

July 2020 – August 2020

Role: *Fulfillment Runner*
Company: *Irish Recruitment Consultants*
Location: *Ikea, Ballymun*

- Collected, sorted, and organized cardboard and other recyclable materials from various store sections, contributing to IKEA's sustainability goals.
- Coordinated with different departments to ensure timely collection and minimal disruption to store operations, maintaining a clean and organized environment.
- Promoted eco-friendly practices by actively supporting IKEA's commitment to reducing waste and promoting sustainable recycling methods.

August 2020 - November 2020

Role *Operations Assistant*
Company: *Irish Recruitment Consultants*
Location: *Irish DistillersFox and Geese*

- **Efficient Production Support**: Unloaded and organized glassware from pallets, ensuring a smooth flow of materials for filling, capping, and packaging operations.
- **Quality Assurance**: Monitored glass handling and packaging processes to maintain high standards, preventing defects and ensuring all products met quality requirements.
- **Collaborative Teamwork**: Worked closely with team members on the production line to meet daily targets, optimize workflow, and maintain a safe, efficient work environment.

Interests/Additional Information
- Currently working on my portfolio site, using Next.js.
